

EXPRESSION OF INTEREST FORM

Better Buildings BC is a competitive incentive program developed and managed by the Province of British Columbia. The aim of the program is to support and celebrate the design and construction of low-carbon, net-zero energy-ready buildings. There are incentives provided for winning applicants who reach the highest level of the BC Energy Step Code. For further details on the program and to see if your project is eligible, please refer to the Better Buildings BC Program Manual.

This Expression of Interest form (EOI) is for interested parties to indicate their desire to participate in the program. Please fill out the following required information.

The form must be submitted via email to info@betterbuildingsbc.ca by November 30th, 2018.

Is this a modification of a previously submitted project?

Yes No If yes, what was your assigned code: _____

What is your reason for resubmission? _____

Project Information

Building Name: _____ Building Address: _____

Building Gross Floor Area (m²): _____ Building Type: High Rise MURB Low Rise MURB Office

Building Location: _____ Retail Institutional Other (*specify*): _____

Stage of Permitting Process (*select one*): Title Rezoning Estimated Occupancy Date: _____

Development Permit Building Permit

Is this building seeking, or has it received, other incentives or grants? (*for informational purposes only*) Yes No

If yes, please provide amount, status, and date of submission: _____

Applicant Information

Legal name of project owner: _____

Head Office Address: _____

Website: _____

Primary Contact, Title, and Contact Information (of person submitting EOI): _____

Alternate Contact and Contact Information: _____

Project Team (include details for all parties known at time of submission)		
Client/Owner/Developer	Organization:	Contact Name:

Key Project Requirements

Is this a new construction or a retrofit (*select one*)? New Construction Retrofit

Level of Step Code or Passive House targeted (*select one*):

BC Energy Step Code - Step 1 Step 2 Step 3 Step 4

Passive House

City of Vancouver ZEBP

Level of Performance Targeted			
TEUI	TEDI	Airtightness (modelled)	GHGI
Space Heating Demand (*PH only)		Primary Energy Demand (*PH only)	

Other certifications or standards targeted (e.g LEED): _____

Project Summary

- i. Provide a description of the key design strategies your team will use to achieve Step Code performance targets. Separate into envelope, HVAC, and other.

ii. Provide a description of the methods your team will use to ensure the proposed design is cost-effective.

iii. Explain how the project will serve as an example to the rest of the building industry.

Project Summary continued

iv. Provide a description of the methods your team will use to achieve and maintain greenhouse gas (GHG) reductions

v. Provide a description of any other benefits associated with the proposed building design (e.g. social well-being, affordability, environmental sustainability, etc.)

Capacity to Deliver

Please provide a description of what makes this design team capable of delivering the targeted level of Energy Step Code performance. Include where possible any past project performance, certifications achieved, and key design strategies used.

Applicant's Declaration

The undersigned certifies, acknowledges and agrees that:

- the undersigned is the owner, or a duly authorized representative of the owner, of the project described in this Expression of Interest;
- it has received a copy of the Better Buildings BC Program Manual and acknowledges and agrees to be bound by the Program requirements and terms and conditions as set out in that Manual;
- the project meets the eligibility criteria as set out in section 4.1 of the Better Buildings BC Program Manual;
- the information in this Expression of Interest form is accurate and complete;
- all members of the design team and project owner have been made aware of the submission of this Expression of Interest;
- to the undersigned will share all information pertinent to building, energy performance and associated costs with the Province of British Columbia and Program Administrator; and
- information on building design and cost, as submitted in this Expression of Interest or supporting documents will be reviewed by the Chairs of the Technical Review Panel.
